Certificate of End-Use and Export Control, Domestic (USA) Sales Only

Introduction:

All items sold on www.sierraolympic.com are export controlled items and subject to the laws of the United States under the Export Administration Regulations (EAR) or International Traffic in Arms Regulation (ITAR, 22 CFR 120-130). The EAR defines the certain reasons for export control, and maintains a Country List where these reasons for control are applied. For controlled items sold on this website, Sierra-Olympic Technologies, Inc. (SOTI) has established business rules which apply to all customers purchasing controlled items from us.

Each customer is required to complete this Certificate of End-use and Export Control. SOTI shall use the information on this completed form in the processing of sales orders. Customers must offer complete and accurate answers, and are required to acknowledge their understanding that products purchased are controlled items under the EAR, and they are required to follow the rules therein.

All information offered on this document is treated as CONFIDENTIAL. Under no circumstance will Sierra-Olympic Technologies, Inc. share any information provided in this document unless compelled to do so by legal authorities.

Acceptance of sales orders is at the discretion of SOTI. All answers provided on this document shall be subject to verification by reasonable methods. No sales orders will be accepted for persons or company entities classified as denied entities on the US Consolidated Screening List, or for end use applications related to chemical, biological or nuclear weapons.

Answer all questions completely; all answers are subject to verification.
